A town that epitomizes 21st century Japan — that was the starting concept of the Tokyo Midtown project. Tokyo Midtown creates and gathers new Japanese values, sensibilities and talents to keep presenting them to the world. There you will find the futuristic urban ideal and the unique originality.

JAPAN VALUE
Japan’s new value, from this town to the world

A town that epitomizes 21st century Japan — that was the starting concept of the Tokyo Midtown project. Tokyo Midtown creates and gathers new Japanese values, sensibilities and talents to keep presenting them to the world. There you will find the futuristic urban ideal and the unique originality.

Shops, offices, residences, hotel, greenery park, art museums, and design exhibitions; All these advanced facilities come together to create new energy and innovation.

A warm welcome in the wonderful Japanese tradition of hospitality we carry on today. All the staff of Tokyo Midtown are ready to serve you with cordial hospitality.

A natural ambience liberates and invigorates the town and its people. About 4 hectares of open space. An expansive park with native flora is an oasis of respite from the hustle of a big city.

Decorated with sculptures and works of art that defy nationality or genre, we offer places such as art museums and design exhibitions to inspire your creativity.

Celebrate the Four Seasons at Midtown Garden

Tokyo Midtown is dedicated to putting people back in touch with nature. In this urban setting, you can feel the passing of the four seasons, especially in signature Japanese settings such as the streets lined with trees of colorful leaves in fall and cherry blossoms in spring. Midtown Garden offers a gallery of nature, with a beautiful pageant of trees on about 4 hectares of open space. This peaceful parkland rare in central Tokyo, relaxes the mind, enhances the aesthetics of the city, and helps to protect our environment.

Midtown Events
— A Collaboration of Sensibility and Talent

Tokyo Midtown is the place to encounter new inspiration while enjoying the four seasons through cherry blossom events in spring, an open-air cafe where you can relax on the grass in summer and Christmas light and sound shows in winter. You can also find cutting-edge trends at Midtown, which offers an impressive lineup of events that stimulate the senses and encourage originality, including design events in the fall that bring together the work of talented designers from around the world, fashion events that showcase new trends in Tokyo and the launches of exciting new products.
